HOW TO – Join – DCA WebEx Event

The following contains instructions on how to join a WebEx event hosted by the Department of Consumer Affairs (DCA).

NOTE: The preferred audio connection to our event is via telephone conference and not the microphone and speakers on your computer. Further guidance relevant to the audio connection will be outlined below.

1. Navigate to the WebEx event link provided by the DCA entity (an example link is provided below for reference) via an internet browser.

   Example link:
   https://dca-ca.webex.com/dca-ca/onstage/g.php?MTID=eb0a73a251f0201d9d5ef3aaa9e978bb5

2. The details of the event are presented on the left of the screen and the required information for you to complete is on the right.

   NOTE: If there is a potential that you will participate in this event during a Public Comment period, you must identify yourself in a manner that the event Host can then identify your line and unmute it so the event participants can hear your public comment. The 'First name', 'Last name' and 'Email address' fields do not need to reflect your identity. The department will use the name or moniker you provide here to identify your communication line should you participate during public comment.
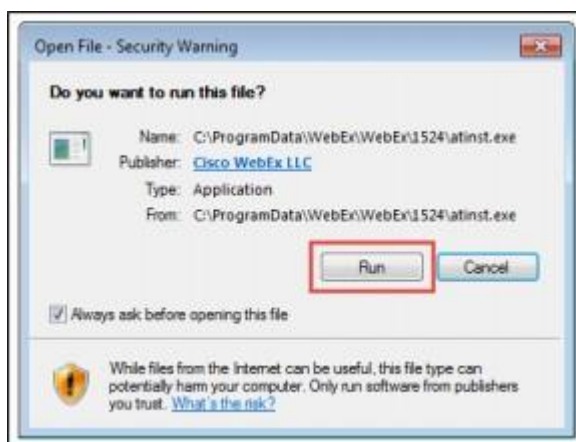

3. Click the 'Join Now' button.

   NOTE: The event password will be entered automatically. If you alter the password by accident, close the browser and click the event link provided again.

4. If you do not have the WebEx applet installed for your browser, a new window may open, so make sure your pop-up blocker is disabled. You may see a window asking you to open or run new software. Click 'Run'.

Depending on your computer's settings, you may be blocked from running the necessary software. If this is the case, click 'Cancel' and return to the browser tab that looks like the window below. You can bypass the above process.

To request time to speak during a public comment period, make sure the 'Ask' menu is set to 'All panelists' and type 'I would like to make a public comment'.

Attendee lines will be unmuted in the order the requests were received, and you will be allowed to present public comment.
